## #CTO | #Startup | #NLP | #BusDevRevolution

You have got what it takes to become a successful CTO. You are ready to build a AI startup and revolutionize Business Development for Technical Products. We have a unique opportunity for you! **mine&make** seeks a CTO to help us drive our technology forward and take it to a whole new level. We are a tech company based in Stuttgart. We are dedicated to enabling fast and successful business development for the technical products providers, from startups to corporations – by leveraging AI.

Job Offer

CTO (m/w/d)

mine&make GmbH, Stuttgart, Mai 2024

More than a Job
Full ownership of mine&make's Development Operations – product strategy, technical implementation, and team management incl. collaboration with external partners

Our Offer
- Development of a unique AI solution (of which the technical feasibility and the business concept are proved)
- Building of a tech startup
- Forward thinking and experienced colleagues who live entrepreneurship.
- Attractive compensation plan

Your Skills and Experience

- Full-stack developer with a strong NLP knowhow

- Successfully completed studies in computational linguistics or data science with focus on NLP
- +3 years professional experience in a similar field
- Business development understanding and a first media experience are advantages.
- first startup and leadership experience
- Hands-on
- Fluent in spoken and written business English, good German language skills

Organizational
- Start date: asap
- Workplace at the AI xpress, Böblingen

If it sounds as good to you as it does to us, send me your application:
